Relaxation of Quarantine.

Consul-General Droze, writes, under

to-day's date, that ships or vessels arriving

in Netherlands-India from Hongkong are

no longer subject to quarantine, the port

of Hongkong being declared to be no longer

infected with plague. The prohibition of

importation of some articles is also cancel-

led, so that all goods can now be imported

into Netherlands-India.

Royal Hongkong Yacht Club.

Club race No. 3 will take place on

December 2 from the Police Pier, Kowloon

to Kowloon Rock, Channel Rocks, Mark

Island, off L'Yuen, Kowloon Rock and

Channel Rocks, all to Kowloon, 12 miles.

The course for another Club race on Decem-

ber 9 is: From Police Pier, Kowloon,

Kowloon Rock, Channel Rocks, Meyer's

Point, Bay, and back to Police Pier, 13 miles.

Naval Activity.

There has been considerable stir among

the men-of-war in the Harbour these last

two days. The cruisers *Argonaut* and*Enslin* left for Amoy to-day. The*Protector* has gone back to Amoy, as well

as some of the smaller craft. The American

ships *Montezuma* and *Don Juan de Austria*

have gone to Canton and Manila respectively.

The hospital ship *Montezuma* came in to-

day with sick and wounded from the North.

Illegal Possession of Arms.

Sergeant Gouley of the detective de-

partment was on duty yesterday at Yau-

maui, when he observed a Chinaman named

Kwok Man, who is a trader from Canton,

carrying a suspicious looking bundle wrapped

in a red blanket. On examining the

bundle the detective discovered seven

revolvers. He immediately took the

man in custody and, to-day, he was at the

Magistrate's, charged with being in possession

of the revolvers without having the

necessary license. He was fined \$100 and

the arms were declared forfeited. The

prisoner promptly paid the fine.

Attempted Burglary.

At the Magistrate's to-day, two coolies

were charged with attempting to enter

house No. 62, Bonham Street West with

intent to commit a felony. The complain-

ant, hearing a noise, looked out and saw

one of the defendants on the roof. He

called out and a watchman effected the

first prisoner's arrest. When taken to the

Police Station the second defendant was going

to see the second defendant who lived in

the next house. The second defendant

was also arrested. The second de-

fendant stoutly denied having been on the

roof or knowing anything about what he

was charged with. The first prisoner was

sent to goal for four months and the second

prisoner was discharged.

A Ruffianly R. W. F.

"Although you have been up at Pekin

don't imagine that you can go about smel-

ling every Chinaman you meet here." The

foregoing was what Mr. Hazland said to-

day, at the Magistrate's, to a private party

of the Royal Welsh Fusiliers, whom he

promptly fined \$10 for assaulting two Chi-

nese boatmen. Party and two comrades

from Mount Austin Barracks found them-

selves yesterday at Shaikwan, whither

they had probably walked. Being too lazy

to return as they came they commandeered

two fishermen and ordered them to take

them to Hongkong. The fishermen re-

fused and Party smashed both their faces

with his fists. The fishermen then con-

sented to take them to Hongkong and

Inspector Robertson at Shaikwan and

Party was charged as stated.

The police are finding it a very difficult

task to prevent the gambling evil which is

LOCAL AND GENERAL.

Notes for the Way.

We are requested to state that Mrs

Garciga will be 'At Home' on Thursday

afternoon, 29th November, and on all

following Thursdays till further notice.

His Excellency the Governor has pro-

hibited for a further period of six months,

from the 26th November, the exportation

of arms. A notification to this effect is

published in the *Gazette*.

The following Treasury notice appears in

the *Gazette*—Owners of property are

reminded that Crown Rent for the second

half year of 1901 is payable at the Treasury

before the 25th December next.

The notification published in our

columns, to the effect that, until the steam

dragger *Canton River* is raised, the passage

between her and the Praya Wall west of

Murray Pier will be blocked by chains, etc.

and that no boats or other vessels should

attempt to pass between the steamer dragger

and the shore appears also in the last

Governor's Gazette.

There were 226 European and 184

Chinese visitors to the City Hall Library,

and 191 European and 2,618 Chinese

visitors to the Museum during the week

ended 25th Nov.

Messrs Harbin, Matheson and Co. are

to-day in receipt of the following telegram

from Shanghai:—An Extraordinary

General Meeting of Shareholders to be held

in London on the 4th December. Directors

will propose reconstruction, giving each

Preference and Ordinary Shareholder equal

proportions in New Company and in addition

a share in surplus assets, payable in full-

paid Preference Shares in New Company

representing about £7.10 on their pre-

sent holdings.

The Crusade Against Mosquitoes.

A long report by Dr. J. C. Thomson

regarding a research he has been engaged

in since his return from England regarding

mosquitoes and malaria appears in the

Gazette. Dr. Thomson is of opinion that

the cause against the mosquito should in-

clude the Culex as well as the Anopheles.

The Culex mosquito does not, so far as is

yet ascertained, act as a host to the malarial

parasite; but it is as well as Anopheles is

certainly the intermediate host of the malarial

parasite. The mosquito, the *Phila**Nocturna* or *Phila* *Sanguinea* *Mosquito*,

whose adult form lies in the lymph vessels,

is the cause of the great group of *Phila**phila* diseases. Dr. Thomson emphasizes

the fact that he found the larvae

of *Culex* in process of development

in abundance in and about every

house without an exception in which

he had looked for them. Anopheles breeds

in the rocky corners and crevices of

ravines, and must be dealt with by the

Government chiefly, though owners of prop-

erty may probably find it to their ad-

vantage to move privately in this matter as

well; but *Culex* can be exterminated, or

at least greatly diminished in numbers by

individual action alone. We will give

extracts from the report to-morrow.

PEKING, November 21

News has just come to hand that the dis-

tinctness consisting of mixed troops under

the command of Count York, which left

Peking on the 12th inst., for the protection

of the French mission at Kalgan, resumed

the march from the district city of Hunan,

without waiting for the reinforcements

from Peking.

The advance patrols of the Allies ascer-

tained that General Ho had vacated the

fortified positions near Hsienhsia, when he

became aware that the Allied troops were

combining for an overwhelming attack.

As a consequence Count York did not

meet with any resistance, the Chinese

troops having retired in the direction of

Kalgan.

The population of the district traversed

by the detachment are very friendly to

the Allied troops, and are evidently

glad to be freed from the depredations of

General Ho's soldiers.

PEKING, November 23.

Count York's marching occupied Hsien-

hsia, without meeting further resistance.

The Chinese troops under General Ho

and Ho retired on the 15th beyond Hsien-

hsia, in a south-westerly direction.

The Allied troops took up the pursuit.

The German cavalry proceeded on the

15th from Hsienhsia to Hsienhsia, where
